

CHIRO KIDS MONTH!

August
1 – 31, 2021

Complimentary Exam and
X-Rays* for children from
birth - 17 years old.

*If recommended

Chiropractic care for kids
can be helpful for many
childhood conditions:

Colic • Digestive Issues
Sleep Problems • Asthma
Allergies • Headaches
Anxiety • and more!

Throughout the month of August
we will be answering questions
about chiropractic care for kids.

Q

- 1 Can chiropractic help a colicky baby?
- 2 What is Tech Neck?
- 3 Is chiropractic care helpful for sports injuries?
- 4 Why do some people use chiropractic care as a preventative type of care for their child?

Follow Millner Chiropractic & Hauck Chiropractic
on social media for the answers to these
questions and more.

Call today to make an appointment for a complimentary visit.
